

## NOTE:

*annually*  
It is not known if any Pioneer Day celebrations were held after 1942. See the information that is reported under "Pioneer Day: 1917."

Note by SRP (11-19-1984):

a group photograph was taken in 1946 in front of the Clinton Center Baptist Church. Prints of the photograph are owned by DWP and Verna (Curtis) Varcoe. — —

see VCV's letter of 11-09-1983 to DWP.

It is not known at this time whether or not a Pioneer Day celebration took place in 1946. Perhaps it was an Easter Sunday group photograph?
